I believe that great Design consists of creating ergonomic and manufacturable solutions to the end users problems, within Visual Brand Language Guidelines.

Experience

Lead Industrial Designer and Product Manager

Turtlebox Audio, October 2023 - Present

Leading all aspects of new product development efforts and managing project schedules and deliverables.

Staff Industrial Designer

Milwaukee Tool, April 2022 - August 2023

Functioned as Industrial Design Team Lead for the PACKOUT™ Product category. Led Industrial Design efforts from ideation to tooling release on PACKOUT™ Shop Storage Accessories, as well as several unreleased projects. Mentored interns and new designers to assist design management.

Associate Industrial Designer

Milwaukee Tool, January 2021 - March 2022

Led Industrial Design efforts from ideation to tooling release on Milwaukee Axes and LED Tape Measure. Assisted manager throughout all phases of development for PACKOUT™ Shop Storage Accessories and PACKOUT™ XL Cooler. Created numerous vision sketches for future projects.

Industrial Design Intern

Milwaukee Tool, June 2020 - December 2020

Led Industrial Design efforts on Milwaukee PACKOUT™ Tumblers from ideation to tooling release. Collaborated with manager on concept ideation, rapid physical prototyping, and product renderings for multiple PACKOUT™ products.
